Daramalan College
Health and PE

The transition from Every Chance to Learn to the Australian Curriculum

Roy Jaques
The Objective

To transition to the new Curriculum

Year 11 PE with Alan Tongue
What was going to be my strategy?
Questions

• What do we value as educators?
• What outcomes are we looking to achieve?
• What experiences do we want our students to have?
• What is important in Health and PE in today's society?
• What are the real issues?
• How does this look at Daramalan?
What skills and experiences were the students bringing to Daramalan?
Rebuild or Renovate the Program?
CHALLENGES AHEAD
Challenges

• Time to write the program
• Staffing in the department – time poor
• Getting the PE staff to think differently
• Collaborating with other Departments
• Cuts to the Year 7 Program
• Effective Leadership
Skills focus

A strengths based approach

Alignment with new Curriculum

Something fresh, relevant and engaging

A new challenge
A new course has been written and is ready for full implementation in 2017
