

Authentic Assessment for Authentic Learning

Understand and dream Know and discover
Grow in faith

#School22

Where:

- authentic learning is at the heart of the school
- students know how to learn

Building Learning Power

The dispositions:

- Resilience – emotional aspects
- Resourcefulness – cognitive aspects
- Reflectiveness – strategic aspects
- Reciprocity – social aspects

Reporting

Elements of Learning

Resourcefulness - Cognitive aspects of learning

Jane demonstrates the ability to:

- systematically work through tasks and justify her answers
- ask questions which are relevant and applicable to the task
- value opportunities for learning something new

Jane needs to improve her ability to:

- experiment more creatively in an effort to solve problems

Resilience - Emotional aspects of learning

Jane demonstrates the ability to:

- work effectively and with focus on any given task
- remain patient and systematically work through a task

Jane needs to improve her ability to:

- transition quickly from one task to another
- choose to sit away from distractions

Teaching and Assessing

Teachers:

- Develop language of learning
- Describing the learner

Students:

- Learning how to learn
- Using their 'learning muscles'
